

The image features a minimalist design on a white background. A thin black circle is centered, containing the text "La Source Vive" in a black, elegant script font. Surrounding this circle are three large, organic, watercolor-style shapes. One is a vibrant orange on the left, another is a muted teal at the bottom left, and the largest is a light peach or terracotta color on the right. The text "La Source Vive" is also faintly visible as a watermark behind the peach shape.
